STORY

La Revelía represents for us the maximum expression of the Godello variety, complexity, intensity and finesse with a unique personality.

CHARACTERISTICS OF THE HARVEST

The weather conditions in El Bierzo in the year 2019 favoured very high grape quality. There was abundant rainfall in the flowering period, which affected production quantity. Later on, at the end of spring and especially in summer, there was a great increase in temperature which, combined with the scarce rainfall, caused the grapes to enter the winery with a high sugar concentration.

WINEMAKING PROCESS

Fermented at controlled temperature in stainless steel deposits with subsequent ageing on the lies in French oak barrels.

TASTING NOTES

An intense straw yellow wine, clean and bright. On the nose, we find complex notes with hints of ripe stone fruit and dried flowers. On the palate, the wine has volume and length thanks to its careful ageing in French oak barrels. When swallowed, it is unctuous and the acidity and minerality of the grape variety are evident.
