

EMILIO MORO 2015

"A reference of the spirit of the Ribera del Duero"

EMILIO MORO
BODEGAS

VARIETY

100% TINTO FINO

PRODUCTION

700,000 bottles of 0.75 l.

DETAILS OF THE 2015 HARVEST

From April to the second half of July, temperatures were higher than normal, which led to a good vegetative development. Rains in July helped to overcome the high temperatures of this time. After winter, night temperatures dropped significantly while diurnal temperatures averaged 25°C. This fact greatly favored the maturity and advanced the harvest, resulting in an extraordinary vintage.

HISTORY

This wine bears the name of its creator and is the alma mater of the winery. Previously Emilio Moro used the categories of vintage and reserve, but as of the harvest of 98, these concepts disappeared. Now this brand only relates to wine made from vines of between 12 and 25 years old.

TASTING NOTES

Very intense cherry red color. On the nose is opulent and very expressive, with a base of great quality ripe black fruit, with balsamic notes in the background. On the mouth it has a good acidity, its broad and tasty. Long aftertaste.

PROCESS

It macerates with the skins for 15 days and ages for 12 months in French and American oak barrels before being bottled.
