

EMILIO MORO

CLON DE LA FAMILIA

2018

STORY

This wine, which exceeded the Bodegas Emilio Moro's quality expectations, is a homage to the Tinto Fino clone, our best asset. It is born of the harvests gathered from the most emblematic and representative plots of the different types of soils in Ribera del Duero. It is aged in exclusive barrels which respect the aromas of the fruit and of the land from which it comes, exuding TRADITION, CHARACTER AND PASSION.

CHARACTERISTICS OF THE VINTAGE

The 2018 vegetative cycle began with an extraordinarily rainy April and May, which caused a slight delay in budding. The rainfall sat below the historical levels during the summer months, which helped to balance the vegetative cycle of the vines. The temperatures were very close to normal for the region, except during the last stage of ripening when they were above average, bringing optimal ripeness levels and great balance in the grapes.

WINEMAKING PROCESS

26 days of maceration in small tanks followed by malolactic fermentation and ageing in exclusive French oak barrels.

TASTING NOTES

Deep garnet-red in colour, the bouquet is intense and extraordinarily complex, full of delicate nuances of red and black fruits. The evolution in the glass is excellent, revealing its fruity base and complexity. On the tongue it is intense and silky with a powerful tannin. It has a warm, fruity and very pleasant aftertaste.
