

MALLEOLUS

DE VALDERRAMIRO

2020

STORY

This wine is named in honour of the Pago de Valderramiro, a plot of clay soils planted in 1924 with 4 generations of winemaking tradition dedicated to preserving the essence and personality of a vineyard that represents our history. The clay soils allow us to obtain the purest character of our Tinto Fino wine and all its power, structure and great intensity, giving all prominence to the "terroir".

CHARACTERISTICS OF THE VINTAGE

The weather in 2020 was marked by a slight rise in the average temperature which, together with the abundant rainfall in spring, allowed the vines to develop well. The harvest was accompanied by rainfall that did not affect the quality of the grapes obtained, which will be used to make wines of high quality, aromatic expression and intensity.

WINEMAKING PROCESS

The alcoholic fermentation took place in small stainless-steel tanks at a controlled temperature for 26 days, and the malolactic fermentation in American and French oak barrels. The wine was aged in American and French oak barrels.

TASTING NOTES

Very deep garnet, expressive and ripe on the nose, with an outstanding intensity showing great quality fruity notes, black fruits with a liqueur profile. Remarkable development in the glass, without loss of fruity intensity. It expresses resinous and lactic tertiary notes of great complexity, making for an aromatic expressiveness with and excellent balance between creamy and fine. Its passage leaves an excellent memory: it is intense but rounded, mature and with great balance.
