

EMILIO MORO

Vendimia Seleccionada

2021

STORY

Vendimia Seleccionada is born from the absolute care of our vineyards, prepared with the careful selection of one of the parcels designed to develop Emilio Moro according to its performance during the vintage. This wine is intended to evoke and honour the history and tradition of Bodegas Emilio Moro.

CHARACTERISTICS OF THE VINTAGE

The 2021 vintage saw mild Spring temperatures, abundant rainfall in April and a summer with temperatures slightly lower than usual, which slowed the plants' vegetative cycle. Rain was scarce at the beginning of Autumn, promoting the ripening of the grapes.

WINEMAKING PROCESS

Fermented at a controlled temperature in stainless-steel tanks and aged in French oak barrels.

TASTING NOTES

Deep cherry red in colour, the bouquet is very intense, with characteristic notes of ripe black fruit, blackberries and blueberries. In the glass it evolves naturally, developing complex and subtle notes, highlighting the spicy nuances. On the palate it is rich, structured with good volume and a pleasant mouthfeel with a long, lingering aftertaste

DATA SHEET

DO: Ribera del Duero

Soil: Clay

Location: Pesquera de Duero

Orientation: South-west

Malolactic F: 30 days in stainless-steel tanks.

Variety: Tempranillo (Tinto Fino)

Ageing: French oak barrels
