EMILIO MORO
2019

STORY
This wine, bearing the name of its creator, is the alma mater of the winery. Since the 1998 harvest the winery reffers to this wine which is made from middle-age vineyards, althought Emilio Moro was previously used for crianzas and reservas.

CHARACTERISTICS OF THE HARVEST
The 2019 vegetative cycle was preceded by the April rains. However, from the middle of spring until the end of summer, the year was characterised by scarce rains and temperatures higher than expected. The harvest began after a few rainy days, which helped to balance the grapes' composition and resulted in a year of extraordinary quality and optimal health.

WINEMAKING PROCESS
Produced from grapes from middle-age vineyards. Fermentation takes place in stainless steel deposits at controlled temperatures, with subsequent ageing in French and American oak barrels.

TASTING NOTES
Cherry red with a ruby rim. A complex and balanced bouquet with the rich nuances of a great vintage and respect for the tradition or the brand. The nose proffers a harmonious combination of Tempranillo fruit notes and shades from quality ageing in the barrel that respects the raw material. Mellow and medium-bodied in the mouth, with sweet tannins and a long and persistent aftertaste.
