MALLEOLUS
DE SANCHOMARTÍN
2021

STORY
One of the most sublime tempranillo wines from Bodegas Emilio Moro. Named in honour of the Pago de Sanchomartín, a vineyard located in Pesquera de Duero, which was planted in 1944. It is a wine with a great varietal vocation but with the personality of the limestone soils. It stands out for being a powerful, elegant and persistent wine.

CHARACTERISTICS OF THE VINTAGE
The 2021 vintage saw mild Spring temperatures, abundant rainfall in April and a summer with temperatures slightly lower than usual, which slowed the plants' vegetative cycle. Rain was scarce at the beginning of Autumn, promoting the ripening of the grapes.

WINEMAKING PROCESS
The alcoholic fermentation and maceration took place in small stainless-steel tanks at a controlled temperature for 28 days, After malolactic fermentation in stainless-steel tanks, they were subsequently aged in a new French oak barrel.

TASTING NOTES
Deep cherry red in colour, the bouquet is expressive and aromatic, where black and red fruits intermingle with subtle balsamic spices. Despite the delicacy of its aromas, it is a very fragrant wine, with an evolution full of nuances and complexity. On the palate it presents a unique balance between power and smoothness, with a long and enveloping finish, full of personality.
